

Sizzlin' Summer Sketches

Week 9 — Summer Summary

Summer feels like the shortest season, but we manage to make the most of it and pack those summer days full of lots of fun and adventures! What did you do this summer? With fall just around the corner, it's time to reflect on and record all that summer fun, and this grid layout featuring the Tropic Time collection and Recipe Template gives you lots of photo spots to document your summer highlights! (Tip: You don't have to use all the shapes in a Recipe Template exactly as designed — here the largest and smallest wavy squares from the Tropic Time Recipe Template act as backdrops for photos, and the unique center shape makes a great base for a title, journaling or embellishment clusters!)

Share your layout using the hashtag **#SizzlinSketches9** in the Virtual Crop Facebook Group to have the chance to earn weekly prizes. And don't forget to color in the Week 9 icon on your tracking sheet to have a chance at the Grand Prize!
