EXTEND THE SUN

As included in the Official Rules, "Resort Stays Described," Advisors will earn Resort Stays of varying lengths when they achieve one of the Escape Tiers by the end of Qualification Period.

	Wild Card	Sun Riser	Sun Gazer	Sun Chaser	Sun-Sational

During the Extend the Sun Promotion period, Advisors will be eligible to qualify for an **additional Resort Stay night** when they recruit the number of new Downline Advisors (with join dates from Jan. 8, 2024, to July 31, 2024) required under the minimum Team Building Points requirements for their Escape Goal Tier in the Official Rules.

New Downline Advisors have until the end of the Qualification Period to reach Level 2.

Sun Chaser and Sun-Sational Achievers shall also be paid an additional cash bonus. It and the additional night will be awarded if the Advisor also meets all minimum qualifications of the same Goal Tier and attends the 2025 Escape.

The extra nights and cash amounts awarded by the Extend the Sun Promotion are shown below for each of the Escape Tiers for the United States, Canada and Australia.

	Wild Card	Sun Riser	Sun Gazer	Sun Chaser	Sun-Sational
Number of New Downline Advisors recruited by July 31, 2024	1 New Advisor	4 New Advisors	6 New Advisors	8 New Advisors	10 New Advisors
Extend the Sun Perks	Extra Night = 5 days/ 4 nights Shared room	Extra Night = 5 days/ 4 nights Shared room	Extra Night = 6 days/ 5 nights Shared room	Extra Night = 7 days/ 6 nights Private room +\$500 USD (\$650 CAD, \$750 AUD) Cash (paid by Direct Deposit)	Extra Night = 7 days/ 6 nights Private room & guest +\$750 USD (\$975 CAD, \$1,125 AUD) Cash (paid by Direct Deposit)

When the Extend the Sun Promotion concludes July 31, 2024, the number of new Downline Advisors each Advisor has added to their team (with join dates from Jan. 8, 2024, to July 31, 2024) will determine the maximum eligible perks determined by the Extend the Sun Promotion.

Example: Susan is going for Sun Chaser. She currently has four new Downline Advisors who have signed up since Jan. 8, 2024. When she recruits four new Downline Advisors with join dates between May 30, 2024, and July 31, 2024, she is eligible to qualify for the additional night at the Sun Chaser tier.

She then has until 12:01am CT on Jan. 2, 2025, to complete the other Sun Chaser qualifications which includes coaching at least eight of her new team members to reach Level 2. If she successfully completes all Sun Chaser qualifications by the end of the Qualification Period, she will be awarded the extra night during the 2025 Escape and will receive her additional cash reward, along with Escape stipends paid in Q1 2025.

When the 2025 Escape Promotion Qualification Period concludes, the final Tier each Advisor reaches will determine their final Extend the Sun rewards.

Example: During the Extend the Sun Promotion, Kelly added six new Downline Advisors (between Jan. 8, 2024, and July 31, 2024) to be eligible to qualify for Sun Gazer perks. At the end of the Qualification Period, Kelly achieves the Sun Riser Tier, which means she would earn the Sun Riser Extend the Sun reward (4 nights).

Should an Advisor achieve a higher Tier at the end of the Qualification Period than the Tier earned during the Extend the Sun Promotion period, that Advisor will receive the reward earned during the Extend the Sun Promotion, if applicable.

Example: Mary added eight new Downline Advisors (between Jan. 8, 2024, and July 31, 2024) to be eligible to earn Sun Chaser perks. At the end of the Escape Qualification Period, Mary achieves the Sun-Sational Tier. Mary will be awarded the Sun Chaser Extend the Sun Promotion perks: 1 extra night (7 days/6 nights, private room) +\$500 USD (\$650 CAD, \$750 AUD) cash (paid by Direct Deposit).

The General Provisions stated in the 2025 Advisor Escape Promotion Official Rules shall also govern the Extend the Sun Promotion.
