

Creative Memories Album Guide

35+ Years of Trusted Quality!

Creative Memories albums are top-rated for a reason! Our customers rave about the quality and how their photos look amazing, even from decades ago! This guide will help you choose the perfect album for your needs — **with a lifetime guarantee!**

Choosing Your Album

There are two main ways to choose your album:

BY NUMBER OF PHOTOS:

See our recommendations below to get started! (Remember, our albums are expandable!)

Number of Photos	Recommended Album Size
Less than 30	8x8, 6.75x10
31-75	8x8
76+	12x12

BY SIZE AND FEATURES:

12x12 Albums <i>The Timeless Favorite</i>	8x8 Albums <i>The Compact Charmer</i>	6.75x10 Albums <i>The Magical Medium</i>
<ul style="list-style-type: none"> • Most popular size for lots of photos. • Great for chronological albums, special events, or themed albums. • Widest variety of cover options and page styles. • Considerations: Can get heavy with too many pages. 	<ul style="list-style-type: none"> • Portable and budget-friendly. • Perfect to make multiple gift albums. • Available as a Paper Album. • Considerations: Limited space for photos, may require cropping photos and designer papers. 	<ul style="list-style-type: none"> • Great for on-the-go albums or daily journaling. • Unique size with planner kit option available. • Considerations: Limited cover and page design options, fewer photos per page, not as much room for 4x6 photos.
