12-inch Trimmer

The 12-inch Trimmer cuts through your cardstock and designer papers like butter. (Don't let your friends borrow it too long... they just might keep it!)

> "This is the best 12-inch trimmer CM has ever had. I have been scrapbooking for over 20 years. And this product is incredible. A MUST-BUY!"

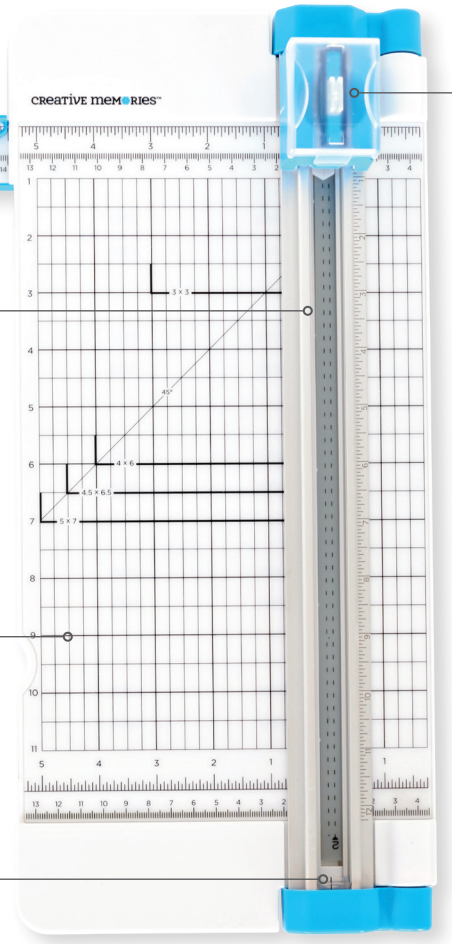
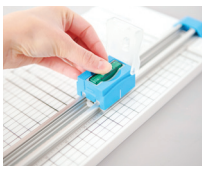
Extendable Ruler Arm sits flush with the base and features a footrest for extra stability.



Blade Guide provides stability and control, as well as the ability to change blade cassette styles.



Double-Track Blade Guide ensures a stable cut.

Clear black guidelines in English and Metric measurements.

Patent Pending Sight Line™ ensures a straight cut even if the paper is not against an edge.

Store up to 12 blades and an additional cutting mat strip in the built-in storage on the underside of the trimmer.
