Strap with velcro closure to hold the cover open

Silicone zipper pulls for enhanced gripping

Velcro front pocket

Business card holder

Weighs 8 lbs. (empty) and can hold contents up to 50 lbs.

Note: For maximum stability, avoid over-filling the front pocket.

Telescoping handle (extends 21.5"H from top of bag)

2 exterior mesh pockets on one side (8-5/8"W x 5-3/8"H)

4 durable wheels that rotate 360 degrees
Front two wheels have been moved out slightly, enhancing the bag's stability

Metal snap closure on top lid has been replaced with a Velcro closure, making it easier to attach the lid to the handle and more forgiving on alignment, particularly for individuals with dexterity challenges

Clear pocket on the inside of lid to maximize storage

Tall enough to fit the new 12-inch Trimmer

Large cavity with 2 moveable Velcro dividers to securely organize tools, albums, papers and more

Main compartment now measures 10-1/4" deep, 15-1/2" wide, 16-5/8" high

Convenient storage for 4 pens

Width of front pocket has been reduced and zippers now travel about 1/3 of the way down on each side to discourage overstuffing with bulky items

Black microfiber exterior with blue poly liner interior
