

12-inch Trimmer

The 12-inch Trimmer cuts through your cardstock and designer papers like butter. (Don't let your friends borrow it too long... they just might keep it!)

“This is the best 12-inch Trimmer CM has ever had. I have been scrapbooking for over 20 years and this product is incredible. A MUST-BUY!”

— Heather

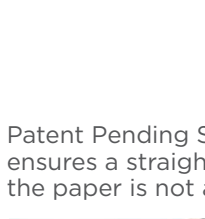

Extendable Ruler Arm sits flush with the base and features a footrest for extra stability.

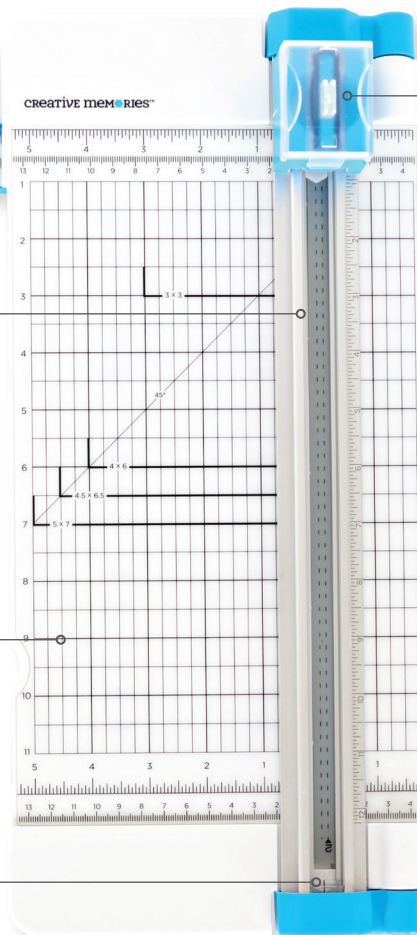

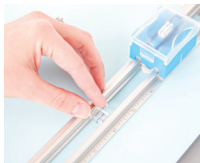

Double-Track Blade Guide ensures a stable cut.

Clear black guidelines in English and metric measurements.

Patent Pending Sight Line™ ensures a straight cut even if the paper is not against an edge.

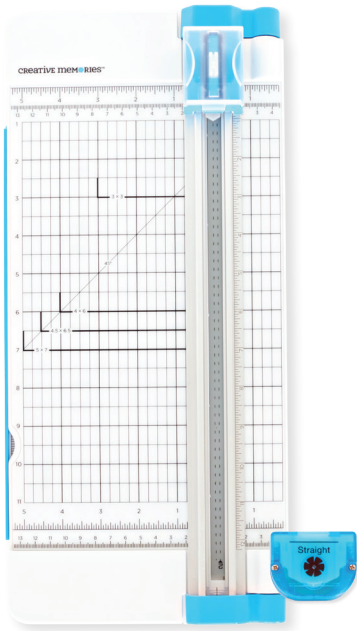

Blade Guide provides stability and control, as well as the ability to change blade cassette styles.

Store up to 12 blades and an additional cutting mat strip in the built-in storage on the underside of the trimmer.

Buy the 12-inch Trimmer and receive the **8-Page Digital Sketch Booklet** — **FREE!** It features tips on how to use your new trimmer, plus four new trimmer techniques demonstrated step-by-step for your projects.
